

# Help on the ROAD to Student Loan repayment

**Trouble?** There are options...

## Interest Relief

You are not required to make loan payments for six months and your loan is in interest free status.

## Revision of Terms

You can **change** your:

- payment amount
- payment date
- how long you take to pay off your loan and more

## Avoid missing payments

Making regular payments each month will help you establish a good credit rating. There are negative consequences down the road if you default on your loan.
