

Adobe® Dreamweaver® CS5: Level 1

Upon successful completion of this course, students will be able to:

- Identify basic web design concepts and customize the Adobe® Dreamweaver® CS5 interface.
- Build a website.
- Design web pages.
- Create reusable site assets.
- Work with different types of links.
- Upload a website.

This course is intended for novice web designers, web developers, website designers, and graphic artists with some programming background who need to build simple websites and want to utilize the features of Adobe Dreamweaver CS5. The course covers the Adobe Web Communication using Dreamweaver CS5 objectives, and is intended to help prepare students to take the Adobe Certified Associate exam.
